# Want To Get Your Cattle SOLD?

The Angus Journal® is the leader in marketing and communications services. Let our team of experts create a marketing program that can get your Angus genetics and agricultural services SOLD!

**Angus Journal®** With more than 13,000 subscribers, *Angus Journal*® is the official publication of the American Angus Association®. The audience is a solid core of loyal readers who don't just read the *Journal* every month — they study it. With more than a half century of commitment to the beef industry, the magazine is the most effective venue for advertising leading Angus genetics across North America.

**Angus Beef Bulletin®** With a readership that exceeds 60,000 commercial producers using Angus genetics, the *Angus Beef Bulletin*® is one of the most popular beef industry publications. This savvy, informational tabloid is your best bet to reach thousands of commercial buyers of Angus genetics. Published five times a year, it's in the mail in time for bull-buying seasons.

**Web Services** Offers a wide array of Internet services to help you promote your farm or ranch, breeding program, cattle sale or show. Specialties include: web site design, searchable and "posted as printed" online sale books, e-List ads, banner ads and online coverage of major beef industry events. Angus breeders, associations, feedlots and other related ag industries are tapping Web Services to expand their marketing efforts worldwide.

**Special Services** The industry's leading print production team. Whether you need a sale book, brochure, postcard, show book or newsletter, our team of professionals is ready to help. We also provide a mailing list service through which you can reach your targeted audience.

**Creative Media** Is devoted to helping you more effectively market your seedstock through video, photography and marketing communications. We are ready to help you develop tools to connect with your customers and stay top-of-mind in the marketplace.

## President's Statement

*As we enter our 98th year, I and all of the Board of Directors of the East Tennessee Angus Association would like to thank all of our members and supporters that have helped in making this directory possible. It has been a pleasure to serve as President this year for the East Tennessee Angus Association. With help from the Board of Directors we have had a very successful year; our annual March sale was very good, our scholarship fundraiser was outstanding this year; we had a great Field Day at Powell Farms, and we have redesigned our website to become more user-friendly. For an organization to last this long, we must thank and remember all of those hard working men and women that came before us to help provide us with the opportunities that we have today in the Angus business.*

*The East Tennessee Angus Association is one of the oldest ongoing Angus Associations in the country, something we are very proud of. We appreciate everyone's support in the past and also in the future. We are only two years away from our 100th Anniversary. I would like to encourage anyone interested in Angus cattle to join our Association and become an active member. If there is anything we can help you with or if you have any questions, please don't hesitate to call me or any member of the Board of Directors.*

*Sincerely,  
Michael Brown*

If you're looking for the beef industry's most affordable, accurate and dependable genomic solution, the new i50K<sup>™</sup> delivers

- At a young age, more about an animal's genetic potential can be known than if that animal had 10 – 20 progeny records for many traits that are difficult, time consuming and expensive to measure
- One sample for GE-EPDs from AGI, genomic percent ranks and parent verification
- Exclusively enables Sire Match for GeneMax<sup>®</sup> Advantage<sup>™</sup> and GeneMax<sup>®</sup> Focus<sup>™</sup>
- Effectively the same accuracy for GE-EPDs as HD 50K

ANGUS ASSOCIATION

[www.easttnangus.com](http://www.easttnangus.com)

The East Tennessee Angus Association has been fortunate throughout the years to be able to award deserving Juniors with scholarships to help further their education. Any graduating high school senior or any student enrolled in college, university, or trade school qualifies to submit an application for this scholarship. Scholarships vary and are at the discretion of the East Tennessee Board of Directors. More than one scholarship may be given out per year. We have limited this scholarship to two times, so that no one individual can win this more than twice. If someone is interested, you must request an application for the scholarship from the Secretary of the East Tennessee Angus Association. We award the scholarship at our annual meeting in March. The scholarship only applies to Undergraduate Degrees.
