

**ANGUS CATTLE TOUR IN Montana**

**Presented by the East Tennessee Angus Association**

**August 31- September 5, 2020**

With the success of the tour last year in North Dakota, we have decided to plan another trip this year. The East Tennessee Angus Association would like to invite you on the trip this year to Montana "Big Sky Country." Just like last year we will leave out of Knoxville, we will depart on Monday, Aug. 31, 2020 and fly into Billings, Montana for the tour to start. We will be returning on Saturday, Sept. 5, 2020.

The tentative schedule for this year will be stops at one of the three Bull Studs in Billings, then onto Yellowstone for a day in the Park. From there we will go onto Sitz Angus Ranch, spend the day in Great Falls, Montana, and then on to N Bar Ranch. We will finish the trip up at Vermilion Ranch back in Billings.

Tour cost will include Airfare, lodging, transportation in Montana, and some meals. Cost of the trip will be \$1600.00 +/- per person and this is based on double occupancy. So that we can get the best rates on airfare and hotel we need commitments along with a \$600.00/per person non-refundable deposit by February 17, 2020.

Please send names of those attending along with payment to:

East Tennessee Angus Association

C/O Rick Williams

301 Emerald Chase Circle

Johnson City, TN 37615

We appreciate your interest and support of the East Tennessee Angus Association.

Sincerely

Board of Directors, East Tennessee Angus Association
